Quality Nurse Practitioner Education, 2016). Crosswalk Table – 2018 Standards & 2016 NTF Criteria. This crosswalk provides a comparison of the 2018 Standards for Accreditation of Baccalaureate and Graduate Nursing Programs with the 2016 Criteria for Evaluation of Nurse Practitioner Programs.

AACN Curriculum Guidelines

Guiding Principles to Academic-Practice Partnerships. These guiding principles were developed by the AACN-AONE Task Force on Academic-Practice Partnerships in January 2012. The recent passage of the Affordable Care Act (ACA) has created the greatest change in the American healthcare system since 1965. The goal of the ACA is to improve the health of the population through expanded coverage, controlled healthcare costs and improved healthcare delivery systems.

The Guiding Principles to Academic-Practice Partnerships

In 2013, AACN was first to define and publish authoritative guidelines specifically for the emerging teleICU nursing practice. This is an update to that benchmark guide, reestablishing a practice model for achieving consistency and excellence in the expanding teleICU subspecialty.
