The pacing guides for Grade K-8 have been revised to align with the new Common Core State Standards (CCSS) for English language arts and math. Those that have been aligned to CCSS are in a "draft" format this academic year so our teachers and staff can add features, as well as work out any bugs that are associated with implementing the new pacing guides to Common Core.

As mentioned above, this pacing guide is aligned to the 5th grade common core math standards. The guide includes the math skill with the common core standard with which the skill correlates. In addition to the time frame and sequence of skills, I also included my rationale and reasons for teaching the skill at that point in the year (or my reasons for teaching that skill before or after other math skills).

I have created a year long pacing guide based on the suggested Common Core Units in year and weekly formats. This is not a unit and it does not include detailed lesson plans. Instead, it is a document that paces out what you should teach and when based on the Common Core units and my 10+ years of teaching first grade! INCLUDED IN THIS RESOURCE
