The Hostage is book two of the Presidential Agent series. In both books a measly US Army Major is sent by POTUS to solve two "problems" that cannot be approached by conventional channels, mostly because the US intelligence community in present day is going through the same kind of unrest and turf fighting that happened during WWII.

I've read various books in Griffin's "Presidential Agent" series, but I've read them out of order. I wish I'd read this one in its proper place, number two, because it explains how Charley Castillo goes from his first-book exploit recovering a stolen 727 from terrorists, to becoming head of a secret team, how he assembles it, and the back stories of many of the characters.
