With great assurance and skill, Molly Gloss quickly transforms what at first seems to be pitch-perfect historical fiction into a kind of wild and woolly mystery story, as Charlotte herself becomes

Wild Life: Molly Gloss: Amazon.com: Books

Wild Life is the second Molly Gloss novel I've read, having started with her newest, The Hearts of Horses. This book was considerably denser in its nature and construction than Hearts, filled with allusions of such a variety that it was difficult at first to know what the author intended.

Wild Life by Molly Gloss | eBay

Book Overview. In her highly original new novel, Molly Gloss delivers a rare blend of "heady cerebral satisfactions, gorgeous prose, and page-turning adventure" (Karen Joy Fowler). Set among lava sinkholes and logging camps at the fringe of the Northwest frontier in the early 1900s, WILD LIFE charts the life -- both real and imagined -- of the free-thinking, cigar-smoking, trouser-wearing Charlotte Bridger Drummond, who pens popular women's adventure stories.

Wild Life | Book by Molly Gloss | Official Publisher Page

With great assurance and skill, Molly Gloss quickly transforms what at first seems to be pitch-perfect historical fiction into a kind of wild and woolly mystery story, as Charlotte herself becomes lost in the dark and tangled woods and falls into the company of an elusive band of mountain giants.

town of Skamokawa, Washington, by writing adventure stories and scientific romances featuring intrepid girl heroes.

Wild Life Molly Gloss

In her canny and spellbinding third novel, Gloss combines a passion for history with a taste for fantasy and a witty assessment of sexual mores. Not only has Gloss created an irresistible heroine, she considers our conflictful relationship with nature, misogyny, and what it really means to be alive without once compromising the heady pleasure of her suspenseful tale; and her prose is positively ambrosial.
